Weather permitting, the concert will be held outside in our lanai area. If the weather is not the greatest, we'll set up inside or under cover. The concert will be an outdoor acoustic "listening" show where Kelly will share the stories behind his songs and basically be Kelly.

Please RSVP to me, at [pwood@making-it-work.com](mailto:pwood@making-it-work.com) or by calling my cell (302) 521-1872. The house concerts are open to all but we will have a 30 person limit so please spread the word and invite folks you would like to listen to Kelly with. Let me know if you are interested in coming by boat and I will have some dock space available.

I will send more info and directions to the house once you rsvp.

Look forward to seeing you here –

Eileen & Pete Wood
