

## Trop-Rock Night at Willow Run Stable

Texas Grammy award winning musician Kelly McGuire will perform under the Willow Tree (rain location in the indoor arena) at Willow Run Stable, 350 Gurn Springs Road, Wilton, NY 12831, on Thursday, July 18, 2013 at 7:00 p.m. Kelly is a classic tropical rock performer similar in style to Jimmy Buffett. His music is consistently played on Radio Margaritaville. Please join us for this very special evening as we are really lucky to have a musician of Kelly's stature perform for us at Willow Run. Lite fare will be served.
